In order to activate your F-1/J-1 immigration record, you must complete your Arrival Confirmation (<http://internationaloffice.berkeley.edu/students/new/arrival-confirmation>) with Berkeley International Office. To report your arrival to Berkeley International Office please do the following:

STEP 1: Click here to locate your Electronic I-94 Arrival Record

(<https://i94.cbp.dhs.gov/I94/#/home>)

What is the I-94? (<http://internationaloffice.berkeley.edu/i-94>) The I-94 is a record of your arrival into the U.S. It tells us on which date and in which Visa Status you entered. We are required to have this information to activate your SEVIS Record.

- Please make sure it reflects your *most recent entry* into the United States.
- If you entered the U.S. *more than 30 days ago*, please include a comment below to confirm that this is your most recent entry.
- If you have a recent paper form I-94 (<http://internationaloffice.berkeley.edu/i-94>) or Change of Status I-797 Approval Notice, you may upload it here as well.
- If you think neither of these options apply, please contact Berkeley International Office.

Your Electronic I-94 Arrival Record will look like this. Please download it or take a screenshot.
